

SOCIAL JUSTICE COLLABORATIVE INTERNSHIPS

About SJC

Our internship program is geared towards guiding students towards a life dedicated to social justice work. We encourage students of all ages and academic backgrounds to join our team.

SKILLS ACQUIRED

- Professionalism
- Personal Responsibility
- Technological Savvy
- Country Research
- Legal research & writing
- Teamwork and communication

INTERPRETATION

Interns practice their interpretation skills, as well as learn how to work with interpreters!

CLIENT INTERACTION

Interns are able to work directly with clients, honing their interviewing skills.

COURT OBSERVATION

Interns are invited to shadow attorneys in court to witness what happens behind the courtroom's closed doors.
